National & International Day for the month of July 2017:

- | | |
|-------------------------|----------|
| 1. Doctor's Day | July 1: |
| 2. World Population Day | July 11: |

Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do. If you haven't found it yet, keep looking. Don't settle. As with all matters of the heart, you'll know when you find it.
